S E L L A R

The four largest landowners on the east of St Thomas Street are working together on a draft framework for the area's physical, social and economic development. We will be holding a series of public consultation events at Team London Bridge's exhibition space in the coming weeks, each focusing on a different theme guiding our principles.

All events will take place at:

London Bridge Hive
1 Mellor Place
London SE1 3SZ

The venue is fully accessible.

Contact us

For more information on the draft development framework for St Thomas Street East please visit www.stthomasstreeteast.co.uk
