

## fresh . seasonal . local

At Bacçalà, we're passionate about creating an authentic Italian dining experience. We're committed to working with small producers who share our values of taste, quality, and sustainability.

## carefully curated . unique

We have over 100 labels of wine mostly from small producers. Our wine list showcases the best of Italian wines, and our sommelier is always happy to recommend the perfect pairing for your meal or snack.

## warm . cosy . welcoming

Whether it's just for a glass of wine, a casual meal or a special occasion, Bacçalà is the perfect place to relax and enjoy the company of friends and family.

Looking for a brief escape from the office?
