Get Involved

London Bridge is aspiring to be one of the world's most sustainable places for business. Here's how you can be part of it.

Make a Commitment

Sign the London Bridge Decarbonisation Charter and join a community driving real change.

Gift Your Excess Items

Join the materials exchange group and offer/request supplies & furniture

Join the Conversation

Explore our Green Network for skills, events and ideas that matter.

Know Your Impact

Measure your business's carbon footprint and take the first step toward net zero.

Get Carbon Literate

Get certified through Carbon Literacy training and lead the way in your sector.

Cycle In

We'll help you and your team commute by bike, from secure parking to free maintenance.

Go Zero-Emission

Connect with suppliers delivering by cargo bike. Better for business, better for London Bridge.

Grow Something

Volunteer to enhance our green spaces and bring more biodiversity to our streets.
